

Did you know...

- ♦ We are now on the web?! You can find us at www.aitkinwomenoftoday.com.
- ♦ We have no minimum participation requirement? Members are encouraged to get only as involved as they want and participate when their schedules allow.
- ♦ We want members of all ages? Having a wide range of age cohorts is what makes our group so diverse and well-rounded.
- ♦ The experiences you receive as a part of Women of Today will help your personal and professional skills grow?
- ♦ Most of our members have busy schedules just like you? We aren't as demanding of your time as you may think.

- ♦ We hear a lot of reasons why women “can’t” join, but we never hear anyone regret it once they do?
- ♦ Women of Today offers something for everyone? Whether you are looking for community service, personal growth, leadership skills, making new friends, networking in the community, a way to get out of the house or just have fun, you can find any and all of those things with Women of Today.
- ♦ We want whatever skills and experience you have to offer? It is important to us that all of our members are valued for the unique person they are.
- ♦ What Aitkin would be like without Women of Today? Imagine our community without the many events and services Women of Today provide. Without women like you, giving back to your community, Aitkin would not be the great place it is.
- ♦ We know what a great addition you could be to our organization? But the bigger question is did you know what a great addition we’ll be to your life?
